Why Union?

The OPPORTUNITY
After eight years of anti federal employee rhetoric, it's our turn to go on the offense to bring about the "Good Government" the American taxpayers want and deserve. There now exists a window of opportunity for government employees to speak out and be proactive in making suggestions about ways to improve our agencies.

Why AFGE?

The VISION
To promote and protect the best interests of workers in government service by ensuring justice, equality, fairness and dignity so that the principles of freedom, democracy and justice flourish and endure in our nation.

Why YOU?

The MISSION
To quickly and efficiently build the power and influence of our union by organizing, educating and mobilizing workers in government service to bring good government back to the American people.
